

External Enclosure

Hi-Speed USB 2.0, 3.5"

Model
703253

Easily transfer, share and store important data.

Quickly transfer, share and archive data or expand storage capacities for desktop and notebook PCs. This MANHATTAN® External Enclosure supports Hi-Speed USB 2.0 for fast data transfer.

Create New Storage Solutions

Install an idle, unused drive into MANHATTAN External Enclosures to create new and productive storage solutions. Most standard 3.5" PATA (IDE) CD and DVD drives fit inside the durable aluminum case, which dissipates heat and facilitates cooling without a bulky fan.

Versatile Solution That Easily Transports

The lightweight, compact design easily transports to meet most needs. Its matching metal stand provides an alternate vertical mount.

Quick and Easy Installation

Windows and Macintosh compatibility with Plug and Play installation makes MANHATTAN External Enclosure ready to use.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

Model
703253
